THE KARNATAK CENTRAL CO-OPERATIVE BANK LTD. DHARWAR.
(Founded by Late Mr. Anandapur C.V. Mensinkal in 1916).

Copy of Resolution No. 19, passed in the meeting of the Board of Directors, A.C.C. Bank Ltd., Dharwar held on 29-4-1946 in the Bank Office.

(19). Dharwar with its salubrious climate is an important educational centre in Karnataka - in view of its rapid development as a cultural centre assuredly leading to its due place as the future capital of the autonomous Karnataka Province to be set up in pursuance of the constitutional policy of the Indian National Congress deserves all the care & sympathies of the Government.

Dharwar District which is foremost in the agricultural industry with its climatic conditions congenial to the development of scientific agricultural research, besides having an agricultural school at Devanur & cattle breeding farms at Bankapur & Tegur a Government Agricultural Farm a full fledged Science College & other experimental & research institutions at Dharwar richly merits an agricultural college. To add to this, there is a canal irrigated tract in the district, having in the vicinity of South-east border a rich forest area touching the Western Ghats.

In view of the above facts & its centrally situated position with all its educational, economical, cooperative & literary activities in Karnataka, be it resolved that the Board of Directors of this Bank feel it their duty to voice the feelings of the rural public in the district & stress the long-felt need of an agricultural college at Dharwar & request the Government of Bombay to take steps expeditiously for the establishment of a Government Agricultural college at Dharwar.

Moved by the Chair.

The Resolution was put to vote and passed nem con.

Sd/- F. B. Lakshminar,
CHAIRMAN.
A.C.C. BANK LTD. DHARWAR.

RECEIVED
980
11 MAY 1946
No. A 13596

Reconstruction Department.

Submitted with reference to M(Agre's) note,
dated 9-5-46.

2. The question of establishment of an Agrl. College at Dharwar has recently been considered by Govt. The Dir. of Agre. who was consulted in the matter reported that on account of the increased no. of admissions recently sanctioned by Govt. at the Agrl. College, Poona, students from the Karnatak can be admitted in large number at the Agrl. College Poona and hence there is no need to have a separate college at Dharwar at least for the present. The following are the no. of students admitted at the Agrl. College, Poona, from the Karnatak during the years 1940- 1944. Figures for 1945 and for the current year are not available in office:-

<u>Year.</u>	<u>No. of students.</u>
1940	11
1941	12
1942	15
1943	17
1944	47

The Dir. was also of the opinion that the best interests of Agrl. education in this province would be secured by expanding and further strengthening the Agrl. College, Poona, instead of starting a new Agrl. Institute at Dharwar. Technical Institutions are costly to maintain and unless provision on a ^{liberal} ~~limited~~ scale is made for equipment of laboratories and the appointment of competent staff, there is always the danger of lowering the standard of instruction (vide Dir. of Agre's letter No. S.50-Z(1)/221611, dated 23-7-46). The Dir's view was accepted by this Deptt. and the E.D. was informed that there is no need to have a separate Agrl.

College at Dharwar for the present (vide G.L.No. S.41/17065-A, dated 14-9-45.) Please see in this connection G.L., G.D., No. S.10/A, dated 4-1-46 to the President, Dharwar municipality. In view of these facts, it does not seem necessary to call for a report from the Dir. of Agre. The Chairman, Karnatak Central Cooperative Bank Ltd., may perhaps be informed that owing to the expansion recently sanctioned by Govt. the Agrl. College, Poona, is large enough to admit all students from the Karnatak with adequate background and qualifications who apply for admission there and that there is no need to have a separate Agrl. College at Dharwar for the present.

m. (Agre)

7/8/45 by the Government it has been decided to increase the admission to the Agrl. College Poona to 250. A separate college at Dharwar appears superfluous especially in view of the fact that the Government are not in a position to provide a separate college at Dharwar.

The following information may be called for.

- (1) number of students who applied for admission to Agrl. college Poona.
- (2) How many of them were eligible for admission and how many were admitted.

The Dir. of Agre. may be asked to supply this information by districts.

WG.2/5.

26223/5
Q40
A-14566

This Public Meeting of Dharwar convened by Shri B. A. Desai, President, Municipal Borough, Dharwar hereby resolves as follows:-

(a) This Meeting strongly urges on the Government of Bombay that they be pleased to start a Government Agricultural College at Dharwar for the following reasons:-

1) That Dharwar is the biggest educational centre in the Karnatak and all along being developed on the lines of making it the future capital of the Karnatak Province, to which the Indian National Congress is unequivocally committed.

2) That the District of Dharwar is more agriculture-minded than its neighbouring districts which are trade-minded and thus affords greater advantages to the actual farmer class.

3) That the climate which has guaranteed immunity from epidemics and the ample room for expansion of the botanical garden and the facilities of higher education in the local Science College, the location of the Divisional Headquarters of the Agricultural Department in this place and Dharwar's natural situation as the geographical centre of Karnatak are advantages of Dharwar, unequalled by any other place in this division.

4) That the Dharwar District has both dry and wet farming and has got farms and schools specialised in different sides of agricultural education, instrumental and experimental.

5) That the Dharwar District has exceptional facilities in irrigation on the one hand and cotton production on the other and it can also claim close vicinity of forest area.

(c) This Meeting further resolves that the Government of Bombay will be pleased to make it convenient to open the College at Dharwar ~~from~~ from the beginning of the ensuing ~~monsoonal~~ year, as ample technical help

be immediately obtained from the full-pledged local Science College.

(c) Resolved further, that a Sub-Committee consisting of the following gentlemen, with power to co-opt such other persons as it would like and to regulate its - - business, be appointed to correspond with the Government in this behalf and to expedite the establishment of the Agricultural College:-

- 1) Shreeamant B. A. Desai,
President, Municipal Borough, Bharwar.
- 2) Mr. B. A. Tambakad, B.A., LL.B.,
President, B. L. A., Bharwar.
- 3) Mr. B. B. Patil, B.A., LL.B.,
- 4) Mr. B. V. Nailigatti, B.A., LL.B.,
- 5) The Chairman, Karnatak Central Co-operative Bank,
Ltd., Bharwar.
- 6) Mr. B. B. Lunbur, B.A., LL.B., B.L.A.
- 7) Mr. T. B. Naswi, B. L. A.
- 8) Lt. Colonel Major Diwan Bahadur N. S. Kiremath,
- 9) Mr. G. B. Kurli.
- 10) Mr. A. A. Littur, B.A., LL.B., B. L. A.
- 11) Mr. B. B. Setgeri, B.A., LL.B.
- 12) Mr. C. C. Talasali of Oadag.

No amendment.

Subject: No. 4:- To consider report received from the revenue officers recommending Tagavi loans.

150 Cases of tagavi were placed before the Board's meeting for consideration. It was resolved that 2 cases for purchase of oil engines, one case for bunding should be sanctioned. 150 cases for purchase of bullocks will also be placed before the meeting. Messrs. Shidhanti and Sajjan suggested that further information regarding strength of bullocks, their cultivable holding of applicants may be obtained for consideration for grant of tagavi and the Board resolved that these applications should be returned to the Mamlatdar for getting the information and on receipt of information, to place these applications again for consideration by the Board.

Other subjects brought before the meeting with the permission of the Chair.

Subject No. I.G.R.No. ~~xxxxxx~~ dated, making it compulsory that E.A.K. of C.O. should accompany the well inspector while inspecting cases regarding grants of subsidy ~~of~~ to wells.

The Board considers that a G.K. making compulsory that E.A.K. or C.O. should accompany the well inspector at the time of 1st inspection is handicapping the work in providing grants of subsidies to irrigated wells. The Board recommends that circle inspectors should be given power in respect of tagavi subsidy. The Board ~~xxxxxxxxxxxxxxxx~~ resolved that the well inspectors should look to their own work and submit reports ~~xxx~~ to the Board and that the Board should forward these applications to the Mamlatdars for necessary action.

Subject:- No. (ii) Information regarding construction of wells for irrigation.

The Board considers that it should be ascertained from V.F.No.16 (from the District Inspector of Land Records Officer) as to whether old wells have been granted subsidy by comparing it with the list to be obtained from the Village Officers already called for in the matter, such cases should be reported to the Board for necessary action.

Subject:- (iii) To consider letter No dated of the Executive Engineer Bijapur.

The Executive Engineer explained the members have the Contractor at Kandigud in Badami Taluka is handicapped in his well construction work due to non-cooperation of the village and to consider whether lower priority may be assigned to such cases.

The Board strongly protest that in such cases construction should be got done departmentally or by the help of Rural Development members, who are ready to help in the matter. It was resolved that every complaint that is received regarding non-operation should be forwarded to the D.R.D.B., members of the taluka concerned for necessary action.

Subject:- (iv) Inadequate of the supply and inferior quality of iron supplied to the taluka distributing agencies of union in Bijapur District,

The Board makes a strong protest to Government that the quality, size of iron and steel is unsuitable for agricultural purposes and the quantity is too inadequate and the quotas are not received in time. Whereas the members have noticed that Merchants in the city have received good quality and suitable size of iron and steel which is suitable for agricultural purposes and the merchants are selling this stock at high rates, and the Board considers that Government should be requested to make immediate arrangement, to supply the same quality of iron as in the case of merchants adequately to these taluka distributing agencies of Bijapur.

The Principal has submitted an advance copy of the scheme for setting up an Agril. College at Dharwar. He has not submitted any estimates of the revenue from fees or from the sale of milk and other products from the farm attached to the College. He may be requested to do so urgently.

P.O. to the Principal, Agril. College, Poona, dated 15th July 1946.

Letter.

No. 73/3652

of 1946.

Letter

No. 73/3718 of 1946
College of Agriculture
Poona, July 2nd, 1946

To,

The Director of Agriculture,
Bombay Province, Poona.

Reference this office letter No. 3551 dated
July 13, 1946.

In the statement on "Details of buildings,
equipment, staff, etc. for the proposed Agricultural
College at Dharwar" accompanying the above letter,
please add the following item under "(3) Equipment":-

(m) Agricultural Entomology ... Rs. 20,000

The total of Equipment would now be Rs. 5,67,280
and the grand total would be Rs. 17,62,480.

2/- In "Statement of the financial aspect of the
scheme for establishment of an Agricultural College
at Dharwar" please read "Rs. 10,40,000" for "Rs. 10,20,000"
in the column "1946-47" against "Capital" under
"Expenditure".

Reconstruction Deptt.

Submitted with reference to the office note, dated
5/7/46.

2. The Dir. of Agr. has furnished ^{directly} by ~~the~~ a statement showing the no. of students who applied for admission at the Agr. College, Poma, during the last six years, the no. of students eligible for admission and the no. actually admitted during this period as directed by H.M. (Agr.) in his note, dated 25/5/46. The statement may be submitted to H.M. (Agr.) for information.

3. Govt is separately considering the question of establishment of two Agr. Colleges, one at Anand and the other in the Karnataka at either Dharwar, Bagalkot or Arbhavi. The main files on the subject (File Nos 1014 & 7243/33 - XVIII) were submitted to Jt Secy, Addnl Secy & H.M. (Agr.) for orders on 11/9/46.
